

Photograph and Biography for Volunteer Booklet

So that we can all get to know one another beforehand, we create a volunteer booklet for every mission to introduce ourselves to the other volunteers and to the nursing students. Please include with this form a short bio and a recent photograph of yourself. If you have previously volunteered with PRHDR and have already provided us with your bio and photo, you do not need to send another one, but please add when you started your mission service with PRHDR and a comment of what our mission has meant to you. To give you an idea of what we are looking for, a sample bio and photo has been provided to you at the bottom of this page.

Please send your bio and photo electronically to: booklet@prhdr.org. Please send image separately from word document (do not embed) but attached to the same email. Please do not resize your image. If you cannot send electronically, please send with your Volunteer Application, Medical and other forms.

If you would like to see the photos and bios of volunteers who have joined us for previous missions, please go to www.prhdr.org/volunteers_page.php and view our volunteer booklet archive at the bottom.

Please check in the box below and sign your name on the line below if PRHDR has your full permission to:

include your bio and photo on the volunteer page of the PRHDR website and/or in a printed copy of the PRHDR Volunteer Booklet

SAMPLE:

Daniel, a graduate of University of So Maine, is working as an RN with the Visiting Nurses Association at Home, Health and Hospice. He went to nursing school with an interest in public health and a hope to be able to work internationally as a nurse in developing countries. He has been to Kenya once and hopes to return. Dan joined the Dominican Republic health care mission in 2006 and now goes every 6 months, having been on this trip seven times.
