

## LETTER OF INTENT

Thank you for your interest in Partners for Rural Health in the Dominican Republic and this extraordinary opportunity to participate in international medical work with a team of health-care providers and nursing students. We ask that you take a moment in giving us some valuable information about yourself which will help us understand your qualifications for this project. Thank you for your interest and we look forward to knowing more about you and hopefully working with you in the near future. You may submit this via email to: [info@prhdr.org](mailto:info@prhdr.org) or mail to the PRHDR address.
